### **Performance Squads- National and Regional**

This level of swimming performance is focused on top national and international standards. The focus of such squads will be training to win and swimming will be a lifestyle. Such squads are based at named centres throughout the country and each has its own entry requirements and standards. ESC coaches will be able to advise and to access this information when required. ESC swimmers are requested to respect the input to date, made to their development and progress, by keeping the ESC head coach updated with regard to the pathway being followed.

ESC will be delighted to support any swimmer qualifying for and participating in such squads. The type of support can include access to training when at home during breaks. This will be in consultation with the particular centres' head coach.

Other means of support will be offered on an individual needs basis in consultation with the Performance Centre coach and ESC head coach.

Swimmers reaching Swim Ireland national / international performance standards may be directed to continue training at home until old enough to move to a full time centre. When this is the case training will be in consultation with the Swim Ireland director of high performance. This will be accommodated and supported by ESC.

**Important Notes with Regard to Squad coach roles:**

- a. Coaches have the right to fast track athletes.
- b. Squad coaches will decide what galas members will attend during the season.
- c. Squad coaches will decide what events will be entered at galas. These will not always be the swimmers' favorite or best events and will often be those that are relevant for a particular phase of training.
- d. Coaches will pass on a signed entries list to the ESC gala secretary. A copy will be retained for future reference.
- e. Coaches will monitor attendances regularly in consultation with the squad liaison person.
- f. Coaches will follow the procedure outlined (see below) when follow up actions are required.
- g. Performance Development and Participation Squad Coaches will use the Bradford Scoring system to highlight absences from training (see below). A score of 50 will begin implementation of the follow up procedures outlined below.
- h. Coaches will evaluate each swimmers adherence to the stated criteria for each squad at the end of the season with a view to advising on suitability of that squad for the following season.
- i. Coaches will advise with regard to the need for and suitability of training camps (home or away). Coaches will also outline the inclusion criteria for such events in liaison with the club committee, who will in turn ensure the ESC committee are updated with regard to plans and support required.

**Follow Up Procedures**

When follow up actions with regard to attitude, attendance or behavior are required the procedure will be as follows:

1. At the end of the each month of training the liaison person will communicate with the relevant squad coaches to discuss squad member attendances, attitude, behavior and any other issues. Follow up actions will be agreed.
2. The Liaison person will contact the swimmer and/ or parents if under 18 to discuss any identified issue and outline a corrective plan of action.
3. Thereafter, the particular swimmer will be monitored on a two weekly basis to ensure adherence to the agreed plan of action. Failure to adhere to the plan will be followed up by the liaison person with a second direct contact with the swimmer and / or parent if under 18, to further discuss the particular issue. Consequences of ongoing failure to

adhere to the agreed corrective plan of action will be outlined. This may include suspension of membership and transfer to another more suitable squad.

4. The swimmer will continue to be monitored on a two weekly basis. Failure to follow up on the corrective action agreed during step 3 above will be followed by a written warning to the swimmer and / or parent from the committee of ESC.
5. After a further two weeks of failure to adhere to agreed corrective actions the swimmer will be asked to leave the club.
6. Repeat failures to adhere to the particular squad criteria will be addressed.

### **Bradford Scoring System applied to attendances.**

This system will be used to highlight absences

Combines the number of non-attendances with the duration.

### **Calculating the Bradford Factor**

The Bradford Factor can be calculated using the standard formula below:

**S x S x D = B**

S = spells of absences by an individual

D = total number of days absent

B = Bradford Factor score

Example 1 Over 4 Weeks: First Non-Attendance for 2 Sessions ( $1 \times 1 \times 2 = 2$ ) Second Non-Attendance for 1 Session ( $2 \times 2 \times 1 = 4$ ) + 2 = 6 Third Non-Attendance for 2 Sessions ( $3 \times 3 \times 2 = 18$ ) + 6 = 24 Fourth Non-Attendance for 1 Session ( $4 \times 4 \times 1 = 16$ ) + 24 = 40

Example 2 Over 48 Weeks: First Non-Attendance for 9 Sessions ( $1 \times 1 \times 9 = 9$ ) Second Non-Attendance for 7 sessions ( $2 \times 2 \times 7 = 28$ ) + 9 = 37

A score of 50 will highlight the need to begin a follow up process.

A score of 100 will lead to a meeting between the swimmer, and guardians if under 18 yrs of age.

A score of 150 will indicate the possibility that a particular squad does not suit the individual.

## General Complaints Procedure

Ennis Swimming Club is committed to dealing with any complaints quickly and openly. In accordance with Swim Ireland protection policy we have a designated complaints committee who deal with these issues. The committee sitting at any given time will consist of 3 of the following:

Mary Keane:	0863897281
Catriona McDonnell	0876481588
Michael McGrath	0862590104
Jan Hillery	(In reporting capacity only)

If you, as a member of Ennis Swimming and Lifesaving Club, have any complaint about the club or a member of the club:-

As a first step, contact the relevant squad liaison officer and attempts should be made informally to resolve the matter by discussion between the parties involved.

If the matter cannot be resolved, please bring your complaint to the attention of your Children's Officers or a member of the complaints committee. This should be done verbally and in writing.

The Club Complaints Committee will make a decision on the matter after full investigation and consultation with all the parties involved.

If the complainant or respondent is dissatisfied with the decision reached by the Club Complaints Committee, then he/she may make an appeal to the Swim Ireland Complaints Committee.

Ennis Swimming Club abides by the terms of reference for a Club Complaints and Disciplinary Committee which are produced by Swim Ireland. The terms of reference can be found on the Swim Ireland web site ([www.swimireland.ie](http://www.swimireland.ie))

## Club Children's Officers

The Children's Officers will perform the following functions:

The primary duty of the Children's Officers is to be available to any swimmer or parent who has concerns under the "Code of Ethics and Good Practice", and under Swim Ireland Child Protection complaints law.

Children's Officers operate independently of their club's administration and coaching structures. They must operate in total confidence and work under supervision.

When a Children's Officer receives a concern or complaint, they contact their counterpart, meet and assess the concerns with reference to the "Code of Ethics and Good Practice", and under Swim Ireland Child Protection complaints law. Both should keep notes on their meeting and steps agreed.

Children's Officers will refer to the "Code of Ethics and Good Practice", and the Swim Ireland Child Protection Guidelines Booklet for guidance on how to deal with concerns brought to them. The Children's Officers should seek advice from Swim Ireland and if necessary from the Social Services.

The Children's Officers and Club have no role in investigating Child abuse complaints, but the Chairperson must be informed of the involvement of statutory authorities in the strictest confidence.

The Club may deal with concerns about possible unsafe practice, but the Children's Officers must not give any details which would indicate their source unless the complainant so indicated to the Children's Officer.

Children's Officers must attend Swim Ireland Child Protection seminars that are run annually in each province.

Children's Officers should attend occasional sessions and be seen to be available to listen.

Children's Officers should try to get to know some of the swimmers and let it be known that the swimmers can talk to them.

Children's Officers' phone numbers are listed on page 30 and will be posted on the club notice board, available to all swimmers and parents, but only to make contact on these issues.

## **Club Safety Statement**

Ennis Swimming Club has put systems in place to ensure that our use of Shannon and Ennis pools provide a safe and secure environment for our members. These systems are constantly under review.

We are ensuring that all our instructors on the poolside have as a minimum a Swim Ireland Assistant Teachers Certificate.

We operate the recommended Swim Ireland ratio of instructor to swimmers.

Rostered parents chaperone the poolside at each session.

Swim Ireland procedures for overnight Galas are adhered to. Rostered parents accompany these at all times.

We maintain attendance lists for all sessions.

Children's Officers have been appointed and shall undergo Swim Ireland training.

An Accident/Incident book is maintained at both Ennis and Shannon pools.

We adhere to the Ennis and Shannon pool's Safety Statements at all times.

We will continue to update this policy in line with Swim Ireland guidance and best practice as guided by the Irish Sports Council and other relevant bodies.

## Chaperones

Ennis Swimming & Lifesaving Club as an affiliated & accredited member of Swim Ireland are obliged to abide by the rules and guidelines as laid down them. Chaperoning duty is necessary for the protection of all involved in swimming – swimmers, coaches, the Club and parents. Let's all play our part in ensuring that protection.

### *Chaperone Poolside Duties*

Chaperone lists are compiled at the start of each year. Please make sure that you take note of the day you have been asked to do poolside duty. (Gala chaperone lists are compiled separately.)

If you are unable to do this duty, please make sure that someone else from the list does it on your behalf. **The coach may not allow the session to take place if there is no other adult on deck during training.**

You are required to be present from 10 minutes before the session starts and until such time as all swimmers have left the deck and showers area at the end.

The duties of the chaperone include the following:

Ensure every attending swimmer's name is ticked as present on the attendance sheet (This is kept at reception)

Count the numbers in the water and agree head count with the coach and on the ticked sheet.

Write the number in the water and put your signature with it e.g. "26 J. Casey"

During the session, observe the swimmers in the water, you are a support to the coach.

Monitor swimmers leaving the pool for toilet trips, ensure that they return.

Sit at the shallow end of the pool, window side, where you can see entry doors and toilets.

When the session ends, **STAY** on deck until the showering is complete and all children have left the deck.

### *Chaperone duty at galas:*

There will be a designated Team Manager with overall responsibility for the trip. There will be a meeting of gala chaperones shortly before any overnight gala.

You are in charge of the children at all times, on the bus, in the pool, in lunch areas and if overnight, at the accommodation. You should not leave them or let them off on their own.

Check that all the swimmers on your list are present before you depart on trip, you will have been told before hand if anyone has cried off.

On arrival at pool, get swimmers to change and arrive on deck to meet you at an appointed place, they should be in shorts, club tee shirt and pool shoes when not swimming. Buy a gala programme for them to check what races they are entered in. Please ensure that they are in the line up for their swims.

Make sure all swimmers eat a lunch and continue to drink liquids during the day, try to limit the sweet snacks until swimming is over.

Bring a bag to mind their valuables while swimming, wallets and phones; they may have access to them at all times.

Have the Club mobile phone with you for contact with parents.

On leaving for home check that swimmers have all bags etc.

Drop off swimmers only at pre- arranged places, get children to phone home to say when bus will arrive in Ennis, stay until the last child is collected.

A stop off for food is at your discretion, you will have had a long day already, again if you do stop, stay with them at all times.

## *Gala Checklist*

Parents please note that the following items are necessary when your swimmer is going to a gala with Ennis Swimming Club.

Togs ( 2 pairs, at least)

Goggles – having fixed & tested them at training beforehand

Ennis Club Hat (hats, t-shirts, togs etc. from Tom Barrett: Tel-0872477748)

Ennis Club t-shirt + 2 other spare t-shirts & shorts, all for around the poolside, between swims

Footwear – flip-flops, pool shoes or runners – absolutely no bare feet allowed around the pool

Packed Lunch – some suggestions of high energy foods:- sandwiches, rolls, rice cakes, small cereal boxes, cereal bars, bananas.

Drinks – fruit drinks or water, not fizzy drinks.

Fun size snacks – not heavy bars of chocolate or crisps.

Water Bottle : It is very important to stay warm & hydrated while at a gala, this will help your performance.

The Ennis hat & T-shirt are for identification purposes.

The suggested foods are to keep your energy levels high all day – galas are very tiring.

The Club mobile phone number is 086-3708424.

Please remember that the chaperones will have had an exhausting day looking after the children on the trip and need to get home, so please have someone at the pool to collect your child when the bus arrives.

### ***Some tips for overnight chaperones***

There will be a Team Manager (not the coach)

He/She will keep lists of swimmers, do head counts, decide on rooms for accommodation, arrange payments and generally organise the group.

There should be one car available.

Depending on the place, a chaperone might take the cooked food to the hostel on the first morning, then return to the gala. About an hour before the end of the gala, one or two chaperones should go to the hostel to arrange the rooms and keys, familiarise themselves with the geography of the hostel, including kitchen, and start preparing the meal. When the swimmers arrive at the hostel they should be able to go directly to their rooms.

Food should be served after towels have been sent for drying and swimmers are a bit settled.

Swimmers should help to clear up.

The team manager will decide if a trip to the cinema is allowed and make the necessary arrangements. Swimmers will not be allowed out except as a group outing such as the cinema.

Bed and lights out by 11 is the aim. 12 – 1 is more realistic!

Be prepared to be walking around a good bit. Bring a dressing gown and slippers.

The swimmers should bring a packed lunch for the first day. On the second day, one or two chaperones should buy bread rolls, salad, drinks, fruit, ham and cheese for lunch (see shopping list) The swimmers will make up their own rolls if you cut and butter them. Where to do this depends on the venue, but out of the back of the car is usually OK unless it rains heavily.

Chaperones should have neurofen and paracetamol, but only give these to swimmers after getting permission from parent.

Things to say on the bus (don't forget to count your swimmers!)

### **Leaving Ennis**

Always ask one of the chaperones if you want to go anywhere away from the group area.

Someone needs to know where you are.

Check the heat list and make sure you know your heat and lane

Make sure you do not miss your race.

Encourage your team mates

Swim well

Have fun safely

### **Gala to accommodation**

Read out the room lists

Room lists are fixed - no changing (hostel already has them) Go straight to the room when we arrive at the hostel

All towels and t shirts will be dried for you. The chaperones will come to the rooms to tell you what to do.

Do not eat quantities of sweets and assorted rubbish.

You must keep your room free of rubbish. You must pick up everything even crisp bits!

You are here to swim, so you need sleep. Too many people have been disappointed with their times on a Sunday because of the lack of sleep and upset tummies after eating rubbish all night. You will not be allowed to scratch your race because you feel tired or vaguely sick.

Chaperones will set a curfew and you must stick to it. They do not need to swim on Sunday and so can stay up all night if necessary to keep an eye on you!

### **Accommodation to gala**

Have you got all your gear?

We will provide lunch during the interval and have food available. You do not need to go to the shop and buy your lunch.

Congratulations on good behaviour if warranted etc etc

### **On the way home**

A stop is made on the decision of the chaperones. Stopping at a large garage (eg. Limerick side of Charleville) is quicker and easier than McDonalds.
